## INCLUDED

### RISE Honeycomb Louver Installation Guide

\*For other RISE Installation Guides visit [www.ecosenselighting.com/downloads/rise](http://www.ecosenselighting.com/downloads/rise)

#### NOTES

Compatible with RISE F080 and RISE F170

Not UL listed

Not intended for use with lenses 40 degrees and up

## INSTALLING THE HONEYCOMB LOUVER

1. Insert the honeycomb louver into the cover. Ensure that the clips go through the holes of the louver so that the honeycomb sets flat inside the cover.
2. Place the cover and honeycomb assembly over the light, aligning the clips with the weep holes.
3. When the clips are aligned with the weep holes, press down until the cover clicks into place. The cover should be flush.

### HONEYCOMB INSTALLED

### HONEYCOMB INSTALLATION

\* Fixtures are UL Listed

\*\* Fixture mounting and wiring to junction box must be done in accordance to local code
