

TYPE

OVERVIEW / SPECIFICATION

The EcoSpec Landscape Mounting Stake is a durable stake used to mount the Floodlight Bullet, Floodlight Bullet Mini, or Landscape Mini Flood directly into the ground. The Landscape Mounting Stake comes with a built in wire splicing compartment, that is liquid tight, and a cord and plug. The cord and plug can be removed for direct conduit connections making this accessory versatile for exterior landscape applications.

PHYSICAL	Material(s)	Aluminum
	Finish	Electrostatic Powder Coat - Black
