FOR THE THIRD YEAR IN A ROW, ECOSENSE NAMED TO PRESTIGIOUS LIST OF THE 5000 FASTEST GROWING COMPANIES IN AMERICA

With a growth of 205% EcoSense is honored by INC. Magazine
as one of the Fastest Growing Private Companies in the US

Los Angeles, CA, August 19, 2016 — Inc. magazine announced that [EcoSense](#), a fast-growing manufacturer of high-performance LED technologies, ranked on its annual Inc. 5000 List. For the 3rd time in as many years, EcoSense made the Inc. 5000 list that recognizes the country's fastest-growing private companies. Only a tiny fraction of the nation's companies demonstrated such remarkably consistent high growth.

EcoSense was recognized for its 205% growth driven by strategic and innovative thinking. The company is known within the lighting industry for delivering comprehensive, high-performance LED lighting technologies that meet the technical requirements of the most demanding projects while delivering an increased energy-efficient lifespan.

One contributing factor to the success of EcoSense has been the successful launch of TROV – a comprehensive and flexible linear lighting system that offer specifiers ultimate freedom and control. TROV was designed and developed for lighting designers and each attribute was meticulously engineered to incorporate market leading functionality while pushing the boundaries of beautiful design.

“We are thrilled to be recognized once again by Inc. Magazine on their list of the fastest growing companies. With the release of TROV and more exciting launches on the horizon, we continue to be honored for our tremendous growth and financial achievements,” says Mark Reynoso, CEO of EcoSense.
